Revision history 13

A. Recent revisions

2026-01: Updated template. Corrected document metadata. Separated general and form subdivisions. Added instructions related to LCGFT implementation.

B. Types of headings covered

The subdivisions listed below may be used, within the limitations of the usage notes, as free-floating subdivisions under names of individual corporate bodies established as headings in the name authority file. The category includes businesses and corporations, nonprofit institutions, voluntary associations, cultural institutions, religious organizations, political parties, fraternal groups, labor organizations, professional societies, clubs, international agencies, government agencies on all levels, etc. The category also includes names of individual exhibitions, fairs, expositions, etc.

Additional or varying subdivisions may be used under names of individual corporate bodies that fall within categories covered by specific pattern headings. Consult the appropriate instruction sheet for corporate bodies covered by pattern headings:

- H 1151 for individual educational institutions
- H 1155 for individual legislative bodies
- H 1159 for individual military services
- H 1186 for individual religious and monastic orders
- H 1187 for individual Christian denominations

Some subdivisions on this list represent classes of person, for example, ***--Employees*** and ***--Officials and employees***. See H 1100 for further subdivisions used under classes of persons.

C. Types of headings not covered

This instruction sheet does not apply to names of individual conferences, congresses, or meetings. Names of jurisdictions are not included. For subdivisions used under names of jurisdictions, see H 1140. Subject headings for types of organizations are also excluded.
