A. Background

This instruction sheet provided special guidelines for the assignment of genre/form terms to radio programs, or to portions of radio programs, that are cataloged by the Library of Congress. This information is now available in the *Library of Congress Genre/Form Manual* (LCGFT) instruction sheet J 270 Radio Programs and Podcasts.

Guidelines for establishing new genre/form terms were included in this instruction sheet. This information can be found in the *LCGFT Manual* in instruction sheets J 120 When to Establish a New Genre/Form Term, J 140 Preparation of Genre/Form Term Proposals, and J 160 Authority Research and Citations for Genre/Form Term Proposals.

For guidelines on assigning subject headings to bring out the content of individual radio programs, consult the appropriate instruction sheet(s).
